

Christ Covenant Church Membership Interview Questions

The list of questions below is intended to prepare you for your meeting with the elders of Christ Covenant Church. Ordinarily Pastor Ventura and one other elder (Joe, Luke, or Les) will visit your home and stay for about an hour. We invite you to write down ahead of time and ask us any questions you might have, as the goal of this meeting is for all of us to get to know one another better.

1. Briefly tell us how you came to know and love the Lord Jesus. When were you baptized?
2. Describe your current relationship with the Lord. Are there any immediate challenges you are facing?
3. Have you ever been convicted of a crime? Have you ever been under church discipline?
4. How is your marriage? In what areas would each of you like to grow?
5. How are your children? Are they baptized? Describe their education, etc.
6. What does family worship look like in your home? Do you need any help with this?
7. Do you have any questions about the doctrine, worship, or practices at Christ Covenant Church?
8. Do you have any questions about what becoming a member at Christ Covenant Church means? Have you read the membership vows and are you prepared to take them?
9. How can we be praying for you?
